To whom it may concern;

As Executive Director of ARMS, I am personally writing to you in hope that you can help us in our endeavor to continue to support our military and their families. ARMS, has been doing this for the past 14yrs, and with your help, we can continue doing this until the last man/women is home with their families.

Unfortunately the people of America are under the assumption that "the war is over", but truthfully it is not! As President Obama stated in his State of the Union address, **"there are still 15,000 troops fighting in Afghanistan and Iraq and we must support them."** But we must also know that there are many more troops deployed all over the world fighting right now for our Freedom. ARMS has been supporting these troops since 2002, and hopes to continue supporting them with your help. To date ARMS has sent out over 45,000 boxes at a cost of \$15 per box. We have recently been the recipients of thousands of needed items the troops are asking for, but without the funds to send them, these boxes will sit in our warehouse.

This is why we are turning to you. **WE NEED YOUR HELP!!!!!!!** You can do this in so many ways. If you would like to "Adopt-a-box", you can send us the \$15 for the box, (which is tax deductible) and include in it a letter to a soldier with your name and address on it. We will include it in the package we send, and when the soldier has "stand down time", they can send you a thank you. Your group or office can host a "dress up/down day, and send ARMS funds to help us support this endeavor, or if you have a loved one overseas, you can send us a list of what they would like and their name and address along with the \$15 and we can ship them a box from you. Or you can help ARMS by sending us a donation, so we can continue supporting our troops and their families.

New Jersey at the current moment has over 1200 troops deployed overseas, let's let them know that we appreciate everything they do for us. Please take a moment and help ARMS by sending your tax deductible donation to the above address. We thank you for taking a moment and reading this letter.

Sincerely

Ronnie Micciulla
Executive Director
